Results obtained in the international events in 2022

54th International Chemistry Olympiad

Celebrated on July 10th to 18th, 2022, in Tianjin, China.

The exams took place online at the University of Nankai. 84 countries from all the world engaged the competition.

The Cuban team was formed by:

MSc. Luis Enrique Guerra Castaño (Mentor)
IPVCE “Vladimir Ilich Lenin”, La Habana

Dahysmer Hernández Ricardo
IPVCE “Máximo Gómez Báez”, 12th grader

Geiler Esteban López Corría
IPVCE “Federico Engels”, 12th grader

MSc. Rolando Alfonso Valdés (Mentor)
IPVCE “Ernesto Che Guevara”, Villa Clara

Ana Sabrina Salvador Pérez
IPVCE “Federico Engels”, 12th grader

Brenda María Zayas Hernández
IPVCE “Eusebio Olivera Labra”, 12th grader

XXVI Ibero-American Chemistry Olympiad

Celebrated on October 22nd to 29th, 2022 in Mexico City, Mexico. The examination took part online at the Mexican Autonomous University. 16 countries for Latin-America and the Iberic Peninsula engaged in the competition.

The Cuban delegation was formed by:

MSc. Rolando Alfonso Valdés (Mentor) IPVCE
“Ernesto Che Guevara”, Villa Clara

José Rafael Rodríguez Rodríguez (Mentor)
Universidad de La Habana, La Habana

Diego Hernández Barreras
IPVCE “Eusebio Olivera Labra”, 12th grade

XV Central-American and XIII Caribbean Chemistry Olympiad

Celebrated on November 14th to 19th, 2022, in Havana, Cuba. The exams took place online at the University of Informatic Sciences. 5 countries from Central-America and the Caribbean engaged in the competition. The exam was elaborated by ex-olympists and former mentors from the National Preselection, who work nowadays in different research institutions.

The Cuban team was integrated by:

MSc. Rolando Alfonso Valdés (Mentor)
IPVCE “Ernesto Che Guevara”, Villa Clara

José Rafael Rodríguez Rodríguez (Mentor)
Universidad de La Habana, La Habana

Daniel Alejandro González Guzmán
IPU “Cuqui Bosh Soto”, 12th grade

Gold Medal

Erik Jordan Valdés Abreu
IPVCE “Mártires de Humbolt VII”, 11th grade

Silver Medal

On December 2019, the 4th Ibero-American Symposium in Organic Chemistry (SIBEAQO-IV) was held in Santa María Cay, Villa Clara, Cuba. Several generations of former students and mentors took part in this event. The picture above shows mentors Rolando and Luis Enrique next to Dr. Luis Javier González López, a recognized Cuban scientist that works at the Center for Genetic and Biotechnology Engineering. He was part of the Cuban team that participated in the 17th International Chemistry Olympiad held in Bratislava, Czechoslovakia.
